My family

There are five people in my family. My mother and father, two sisters and myself. One sister is older than me and one is younger. My older sister's name is Wanida. She is 15 years old. She goes to Satree School. She is kind and helps me with my homework. My younger sister's name is Nitima. She is eight years old and she goes to the same school as me. I like to tease her but I don't think she likes it. My parents are both doctors in our local hospital. I am very proud of them because they help people get better.
